Declaration: To whom it may concern,

I, Dr. Ted Dugas Ph.D., L.Ac., a citizen of the USA declare under penalty of perjury:

residing at: (address) 520 West 23rd Street, Suite 16C, NY, NY 10011

My educational background related to the field of this invention is:

New York State Licensed Acupuncturist and New York State Licensed Massage Therapist,

I have the following certifications related to the field of this invention: NMT Comprehensive level and NMT Advanced level

I have been practicing NMT (Neuro modulation Technique) since June 2003

I have been providing medical care and treatment to patients since: January 1989

I have reviewed NMT: The Feinberg Technique, teaching the protocols of neuromodulation therapy.

The teachings and protocols taught by NMT: The Feinberg Technique, effectively teach a useful method of neuromodulation therapy as disclosed. I have personally utilized this method in a useful manner in treating patients. I believe that the disclosed neuromodulation therapy is useful in the healthcare field. I have personally utilized the disclosed therapy to treat patients and offer the follow case studies: (Describe 1-3 cases that have been particularly responsive in your NMT experience).

#### Case Study #1

Allergy Patient #1 after a few NMT Treatments the allergens no longer have the side effects that they once had and all symptoms have resolved....watery eyes, post nasal drip, sneezing, difficulty breathing and the patient continues to be symptom-free now for over a year since the first treatment.

#### Case Study #2

Lower back Sciatica Pain

After several treatments patient has had complete resolution of sciatica pain and symptoms with the application of NMT.

#### Case Study #3

Patients has chronic sinusitis with 4 months of antibiotics with no relief symptomatically.

After one NMT treatment, and 4 days post treatment, the patient has reported all symptoms are no longer present and complete resolution has been gained.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001 and that such willful false statements may jeopardize the validity of the application or any patent

Issued thereon.
